Dear Mr. Yardley:

Last year the State Engineer sent notices to you dated June 22, 1988 and July 13, 1988 concerning your assessment accounts which have been delinquent for at least two years. The Total amount due is \$774.14. Inasmuch as you did not respond to the notices, the State Engineer in accordance with Section 73-5-1, Utah Code Annotated, 1953, will initiate legal action to collect your unpaid water assessment. The action will also demand that you pay the legal costs required to prosecute and collect the unpaid assessment.

If you are willing to meet with representatives of the State Engineer and myself to work out a reasonable payment plan for this debt, I will be happy to accommodate you. Otherwise, legal action will be commenced shortly.

If you have any questions, please call me (538-7227), or Mr. Lee Sim of the State Engineer's Office (538-7380).

Yours truly,

John H. Mabey, Jr.
Assistant Attorney General
